DIRECT FACTORY CAPABILITIES & 2026 WHOLESALE TERMS

Built for Amazon FBA Sellers, Toy Importers, Retail Chains & Promo Agencies

XEA operates dedicated TPR injection molding, maltose sugar-gel dosing, flour-dough filling, platinum liquid-silicone pouring, and mechanical fidget assembly lines in Jinhua, Zhejiang (3 hours from Ningbo-Zhoushan Port). Every SKU in this catalog is produced from virgin phthalate-free raw materials with zero expanding water beads.

1. Low-Risk 1-Carton Trial Orders

Test real sell-through before booking containers. Mix 5 to 15 full master cartons (24–144 pcs/SKU) in one consolidated Air DDP (7–11 days) or Sea DDP (25–35 days) shipment.

2. Custom Logo & Retail Packaging (500 pcs)

Pad printing & UV full-color logos on stress balls, custom 12-pc counter PDQ trays, retail window boxes, opaque blind bags, and 0.08 mm OPP pouches with FNSKU labeling.

3. Exclusive NDA 3D OEM Molding (3,000 pcs)

In-house 3D CAD sculpting, 3-day SLA resin mockups, platinum silicone master molds ($450–$900), and multi-cavity P20 steel TPR tooling ($1,200–$3,800, 100% rebated at 30K pcs).

4. Amazon FBA & Chain Retail Compliance

Pre-verified ASTM F963-23, CPSIA Lead/8-Phthalate, US CPC, and EU EN71-1/2/3 test reports. 5-ply K=K cartons capped at 14–16 kg for direct FBA receiving.
